EVALUATION	We regularly review how well our curriculum goals enable achievement. Our key questions are:		High Quality Outcomes		A relevant curriculum to prepare our pupils for lifelong learning			Mastery			Embedding Knowledge and Skills			Being part of a Christian family and community					
			Are all pupils achieving their very best in all areas?		Are we using cultural capital to ensure they have all they need to succeed in their everyday future lives?			Do they really know how to apply their knowledge?			What do they know and how can they demonstrate this?			Do they know what it is to be good Christians and how to do this?
