25.10 Halloween disco  
25.10 Break up for half term

### YEAR 2

- In Year 2 we try to read as often as we can and reading books will be changed on a Monday, Wednesday and Friday.
- Children have a reading diary where they can record any other books they have read during the week.
- Library books will go out on a Wednesday and it would be great if they could be returned on Wednesday.
- Spellings will be given every Friday with a spelling test every Friday within class.
- Maths and English homework will go out on a Monday to be handed in on the following Friday
- We encourage children to go on RMEasimaths at home as well as school. We can remind you of your passwords if you have mislaid them. There is also Spelling Shed to practice weekly spellings and Times Tables Rock Stars.

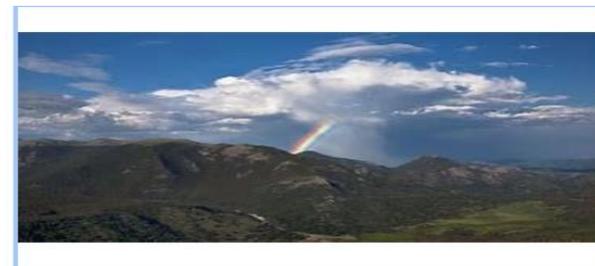

**If you have any questions, please do not hesitate to contact Mrs Parsons at any point**

Autumn Term 2019

## English

In English this term we will be writing Weather poems and diary entries. We will also be focussing on Myths and Legends and a unit of work based on the book 'Wanted! The Perfect Pet.'

## Maths

In Maths this term we will be looking at Place Value and Addition and Subtraction. Our Maths lessons are very practical so that children can use concrete objects to deepen their understanding before moving on to the abstract. They also will be

Our Topic is Whatever the Weather. This is a Geography based topic looking at how weather is measured and recorded, extreme weather and comparing physical and human geography of the United Kingdom to Africa.

In Science we will be looking at Uses of Everyday Materials.

In RE we will be looking at 'Who are Muslims and how do

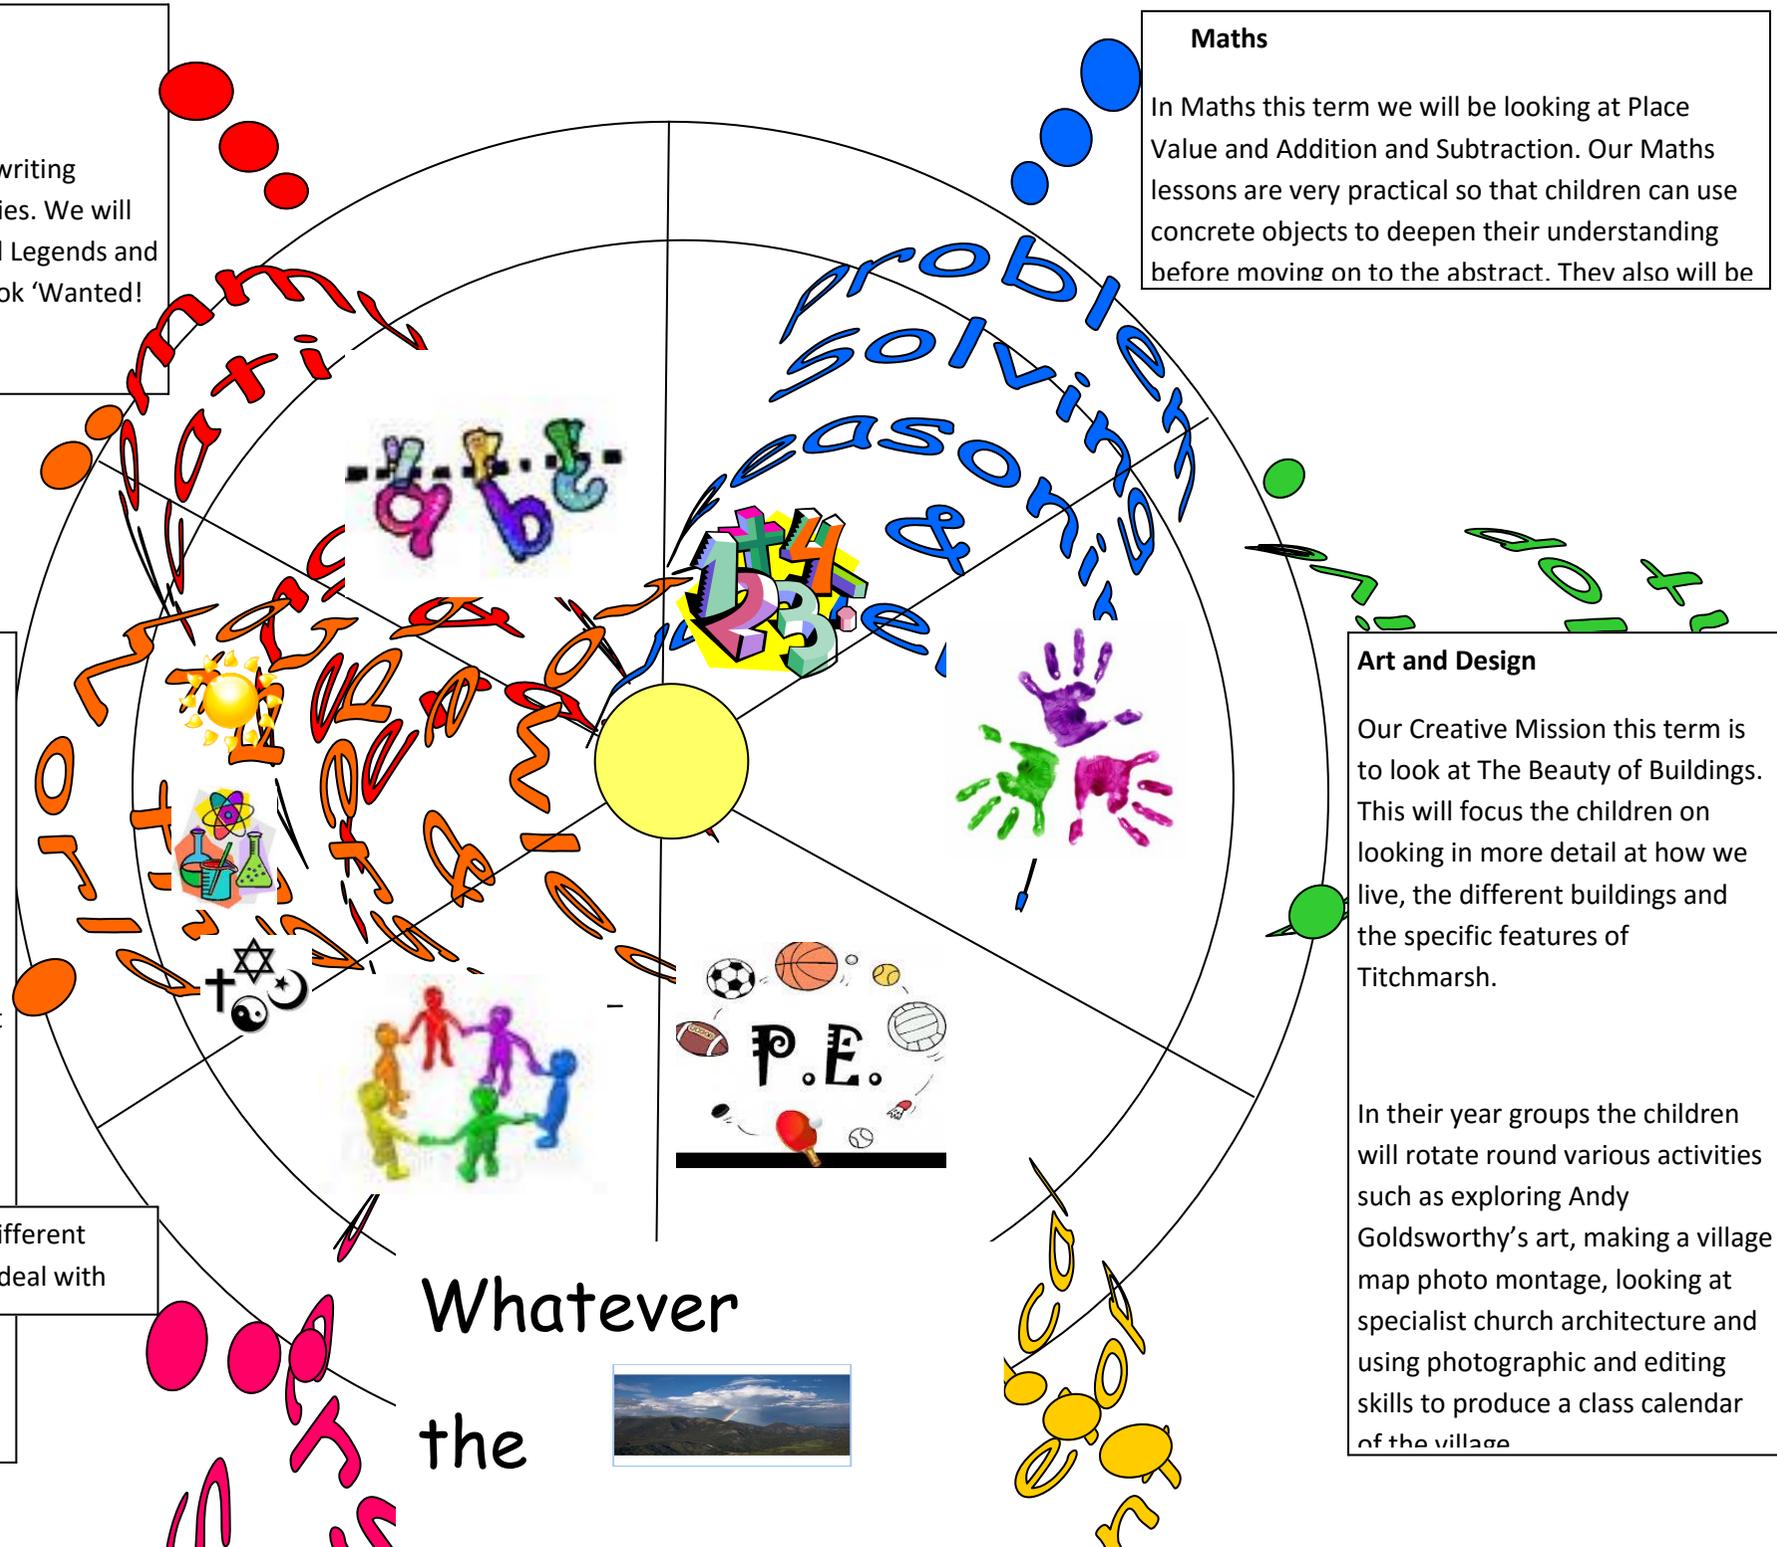

In PSHE we will be looking at different types of emotions and how to deal with

looking at words for weather and increasing their vocabulary.

## Art and Design

Our Creative Mission this term is to look at The Beauty of Buildings. This will focus the children on looking in more detail at how we live, the different buildings and the specific features of Titchmarsh.

In their year groups the children will rotate round various activities such as exploring Andy Goldsworthy's art, making a village map photo montage, looking at specialist church architecture and using photographic and editing skills to produce a class calendar of the village
